I hope you're still enjoying my helpful hints as it's time to continue my [Christmas series, Gift Guides](#) with another post – and this one is especially focused on the guys! As I've explained, that because my blog is for you lovely readers, if I can help you with your present-giving ideas then I'm one happy (snow) bunny. And so, here is the third gift guide post! *Check the bottom of this post to see the other Gift Guides!*

## Killer Fashion Christmas Gift Guide – [MyKindOfTie.com](#)

I'm sure you ladies know a handful of guys who wear a tie every day to work, or opt for the bow tie come special occasions. These guys are one of my favourites, especially when they work the accessory into everyday casual attire. Just as much as I love a man who wears a good suit, I love a man who knows how to accessorize. So why not spoil them this Christmas with some Irish-owned menswear pieces from [MyKindOfTie.com](#)! This new accessories brand showcases both classic and contemporary neckties, skinny ties and bow ties for day wear, workwear and evening elegance at extremely affordable prices, in a variety of colours & prints to suit all the lads out there. Each piece costs only €15 and with free next-day delivery, this really is the best kind of gift for both you, and him!

[MyKindOfTie.com](#) & [Yellow Machine PR](#) were very kind to send me out a selection to check out. My **Killer Fashion Favourites** from this selection are the [Rohan Paisley Bow Tie](#) and [Jonathan Blue Skinny Tie](#).
